

## Leadership Programme

In partnership with St Christopher's Multi Academy Trust, we are putting together a rich and varied programme of leadership learning for the coming year, built around the Church of England's Vision for Education (2016) and wider leadership theory.

These are challenging times for all school leaders, and we encourage colleagues to join us at these events.

The first strand is a series of seminars (3hrs) led by Jo Evans on some of the big themes of educational leadership
