

Thinking Governance Programme

Thinking Governance is a 4 module programme that has been developed by the Church of England Education Office to contribute to better governance in a rapidly changing environment

The Thinking Governance programme aims to help you get to the deep, distinctive issues that lie at the heart of good governance in successful Church of England Schools

As part of the Service Level Agreement, governing bodies/boards of directors will be entitled to Module One of the Thinking Governance programme.

Module 1 is about creating an opportunity for the whole governing body to look at 'the bigger picture' and vision for every part of the school and is designed to be a foundation for further strategic thinking.

£180 per Governing Body Non SLA

Modules 2, 3 and 4
