We know that we are strengthened through sharing with each other and that we are encouraged when we innovate together. Working in partnership we can develop our collective voice and, in doing so, equip all in the communities we serve.

The Church of England MAT Leadership Network invests in the development of MAT leaders working towards a vision for education based on a Christian view of 'life in all its fullness' (John 10:10).

What is the purpose of the MAT Leadership Network?

The network invests in the continuing development of MAT leaders, both as individuals and as a group of professionals enabling them to be:

- **Called** to lead others with a strong sense of vocation, vision, and wisdom;
- **Committed** to embedding the Vision for Education into the life blood of their MAT;
- **Connected** with each other as a collaborative, innovative community with a strong sense of 'collective voice'.

Who can take part?

We are welcoming both alumni from MAT CEO programme cohorts and new members to join our 2019 programme . MATs may sign up for full membership so that different team members can attend relevant events. Leaders may also sign up for individual membership if working as MAT CEOs or within a MAT leadership team, Executive Heads, Directors, Trustees, and Diocesan Directors of Education.

"A wonderful environment that helped me to focus, supportive colleagues with a clear view of support and collaboration."

MAT CEO leader 2017

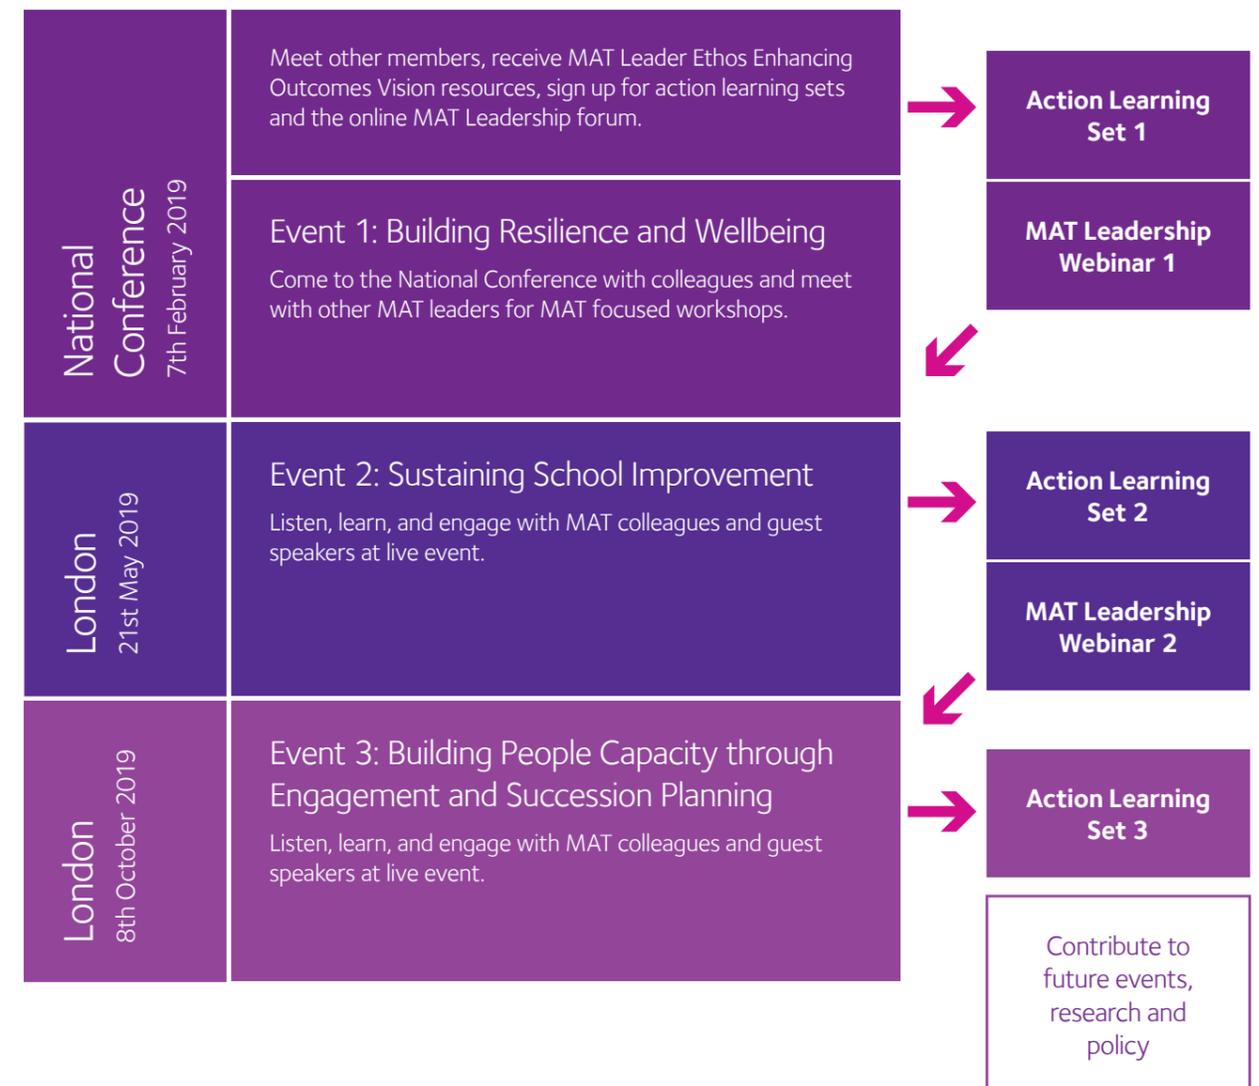

"Through collaborating with colleagues through this network we are beginning to recognise the potential of our collective voice."

MAT CEO Leader 2018

What does the programme include?

Throughout 2019, three **one day events** will focus on key challenges facing MATs featuring input from leading educational practitioners, senior Church of England figures and insightful speakers from other sectors.

In two **MAT Leadership webinars**, MAT guests will share the highs, lows, and learning in their personal MAT Leadership journeys . In three **action learning sets**, members will identify their own leadership challenges and with wise support and challenge from a small group, seek ideas for new ways of working.

What will it cost?

Full membership includes attendance at all the events for two people	£1,075 +VAT	<p>We are accepting new members now.</p> <p>For more information please contact us at cefel@churchofengland.org or complete the on line booking form at www.cefel.org.uk</p>
Individual membership includes attendance at all the events for one person	£600 +VAT	

Other resources available to MAT leaders

Additional resources can be included within your membership at an additional cost. Below is an indication of some of our tailored options.

Resource	Description	Additional Cost
MAT Leader Ethos Enhancing Outcomes Vision resources	Practical resources to enable multi-school leaders to address key organisational challenges through the lens of the Church of England Vision for Education.	Additional copies £50 +VAT each
Leadership Character Strengths Assessment and Debrief	Through Strengths Profile, you will gain insights into your character strengths, learned behaviours, and weaknesses. In a telephone debrief with a coach you will explore strategies to build resilience, improve wellbeing, and better achieve your goals.	£225 +VAT
Peer Support Network	Develop school leaders from within your MAT with a programme of up to 6 facilitated sessions, tailored to the challenges facing schools within your trust.	Price based on MAT requirements
Additional Ticket to Live Event	Events are also open to non-members, however, to maximise the quality of colleagues' engagement and interaction at for these events we are limiting attendees at many of the events so book early to avoid disappointment.	£195 +VAT Event 2 or 3
