

From the Diocesan Education Office for Heads, Governors, Clergy and Clerks

September 2018 – Autumn Term

Dear Colleagues,

With the summer heat and holidays a fast disappearing memory may I welcome you back to another academic year of service on behalf of our children and their families. I hope and pray that you found the refreshment and relaxation over the summer that you deserved and that you have the energy and enthusiasm for the academic year ahead of us!

We will be consulting with you shortly on a number of important agendas including admissions and our three year strategic plan. We have configured our support for you so that it adds value and provides high quality content and best practice in areas that we have greater expertise in than many other providers. We are hoping that you will welcome the opportunity to plan your engagement with the diocese over the whole year – the support planner contained in our SLA enables this to be achieved.

Every blessing for a successful school year in our mission and partnership together.

Regards, *John*
