

# Church @ Home

## Children's Resources for 0-11 year olds

---

Dear All

I have been working with Dan Jones from the Diocese of Bristol to produce 'Church@Home'. It is a new resource that has been created to encourage and help church families enjoy a time of worship, explore the Bible, pray and grow in their faith together in the comfort of their own homes.

Every Sunday Church@Home provides a fun, engaging and easy-to-follow session using a Bible reading selected from the Church of England Lectionary. Each session lasts approximately twenty minutes and provides age-related material for toddlers to teenagers to accommodate everyone in the family. Thought-provoking questions, fun activities and crafts bring the Bible story to life as well as creative prayer ideas to help families focus, learn and grow in their faith together. Additional teaching and craft suggestions has also been provided for families with very young children

Church@Home can also be used as a fun way to help families connect with other families on Sunday mornings too. Why not invite everyone to begin Church@Home at the same time and perhaps set up a WhatsApp group where families can share what they have done, or discuss the topic further together.

If your family or families in your church are using Church@Home please let us know. We would like to keep in contact, find out how you are doing as well as hear how Church@Home is helping families grow in their faith, so that we can share and inspire others during this time of distancing.

These resources are available to download from our website <https://exeter.anglican.org/>

So far there are 5 sessions to enjoy:

[Mission Impossible Ezekiel 37](#)

[Making an Entrance Matthew 21](#)

[He's Alive Matthew 28](#)

[Seeing is Believing John 20](#)

[Road to Emmaus Luke 24](#)

With very best wishes,

Clare Cooke

Mission Adviser (Early Years 0-5)
