

## Supporting Families

Churches are currently working hard to provide ways for children, young people and families to worship while usual services and activities are suspended.

Parents are working hard to juggle childcare, home schooling and working from home in an anxious and unsettled time.

We hope that worship as a family, in the home, can be a time to pause and reflect together in the midst of uncertainty and challenge.

We are supporting churches and families at this time by creating resources and signposting people to helpful resources produced by us and other organisations.

### Church@Home

We have teamed up with the Diocese of Bristol to produce Church @ Home. This is a new resource that we have created to encourage and help church families enjoy a time of worship, explore the Bible, pray and grow in their faith together in the comfort of their own homes. It is a fun, engaging and easy-to-follow session using a Bible reading selected from the Church of England Lectionary. Each session lasts approximately twenty minutes and provides age-related material for toddlers to teenagers to accommodate everyone in the family. Thought-provoking questions, fun activities and crafts bring the Bible story to life as well as creative prayer ideas to help families focus, learn and grow in their faith together.

Scroll to the bottom of the 'Family Faith' page on the link below to download the resource
