

DBS Process for Parish Verifiers - Diocese of Exeter

See the flowcharts and notes in the Supporting Documents of the Recruiters Guide.

A parish-specific version of the Church of England's Confidential Declaration form needs to be completed for all Enhanced DBS checks. These forms are retained in the parish.

Easiest via email so you can also attach the Applicants guide to help them through the process. The organisation reference number and organisation password were sent to you by ThirtyOne:Eight when you registered as a verifier.

Easiest to check ID while sat at a computer so you can enter the required evidence details straight into the online system.

Parish Information Log forms can be found in the Safeguarding Resources section of the Diocese of Exeter website. These forms are retained in the parish.

- ⇒ It is easiest to email the cover sheet
- ⇒ If it is a paid/non-volunteer role, or a Basic check, you need to pay the DBS fee via BACS or send a cheque payable to EDBF Ltd - applications will not be processed until the cheque or confirmation of payment is received.

The Archdeacon's PA completes 'Section Y' of the application and approves the application

ThirtyOne:Eight and the DBS perform the necessary checks and issue the certificate to the applicant

As the verifier, you need to ask the applicant to show you the **original** certificate

You need to record the certificate details on their Parish Information Log form

If you realise a mistake has been made in the application, this is the last stage at which an application can be withdrawn without the Disclosure & Barring Service making a charge.

Note that only the applicant receives a hard copy of the certificate. Certificates are not and cannot be sent to the recruiter or the Diocese by the DBS.

If the certificate contains any disclosure, no matter how seemingly minor, **the Diocesan Safeguarding Team must approve the appointment**. They will arrange to see the certificate and will assess whether the person is safe to appoint or what special measures if any will be required to ensure risks can be managed.

Once you have recorded the certificate details on their Parish Information Log form, the applicant keeps their certificate. Use the Parish Information Log to track renewals.
