

DATA PROTECTION IN THE DIOCESE OF EXETER

DATA PRIVACY NOTICE

The Exeter Diocesan Board of Finance Limited (EDBF) is committed to protecting and respecting your privacy. This document sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us.

1. Your personal data – what is it?

Personal data relates to a living individual who can be identified from that data. Identification can be by the information alone or in conjunction with any other information in the data controller's possession or likely to come into such possession. The processing of personal data is governed by the General Data Protection Regulation (the "GDPR") the Data Protection Act 2018, (DPA 2018),

2. Who are we?

Exeter Diocesan Board of Finance Limited (EDBF) is the data controller (contact details below). This means it decides how your personal data is processed and for what purposes.

Please be aware that clergy, the office of the Bishop and Parochial Church Councils (PCCs) are separate legal entities.

3. How much information do you hold about me?

It is likely that for most people we will hold only a small amount of your personal data. This will generally be data you have given us, and relevant information collected mostly from parishes to enable you to carry out your role. However, because this Notice is for everyone, the list under section 4 outlines the purposes for which we use personal data. We may sometimes hold special categories of personal data such as information about your health and wellbeing, religious beliefs, or in the case of background checks, information about criminal records or proceedings. We may also receive personal data about you from third parties, for example, your family members, other parishioners, other diocese or external agencies.

4. How do we process your personal data?

EDBF complies with its obligations under the DPA 2018 and the GDPR by: -

- keeping personal data up to date;
- by storing and destroying it securely;
- by not collecting or retaining excessive amounts of data;
- by protecting personal data from loss, misuse, unauthorised access and disclosure; and
- by ensuring that appropriate technical measures are in place to protect personal data.
