Note 1:

PCC's must comply with the Charity Commission guidance and legislation in relation to charities. The Charity Commission recommends that trustees always obtain a DBS check when eligible to do so as this is an important tool in ensuring that the person is suitable to act as such. Therefore, if a PCC sponsors and approves, in its own name, children's, young people or vulnerable adult's work then PCC members (as trustees) are likely to be eligible for enhanced DBS even if they are not themselves directly involved in the delivery of activities for children and or vulnerable adults. The exact guidance on PCC members eligibility for enhanced DBS checks can be found in Section 9 of [Safer Recruitment and People Management](#) in the 'Toolkit' section under 'DBS Role Eligibility Guidance'. However, please contact the Diocesan Administrator for Safeguarding and DBS for further clarification.
