19th July 2023

Dear Colleagues,

Welcome to our programme of Networks, Events and Training Courses for the academic year 2023 – 2024. This, along with a booking form, can be found on our website [here](#). As you will see there is a range of support and training offered. Whilst the autumn term is fully planned, the schedule for spring and summer terms will be updated throughout the autumn term 2023.

We encourage you to prioritise attendance at the appropriate leadership and/or governance forums. The leadership / governance forums offer you the latest diocesan and Church of England updates and brief 'bite-size' training sessions. They enable you to keep up-to-date, to continually add to your knowledge, to learn from examples of good practice and to stay connected with others from within our diocesan family of schools.

We hope too that you'll find time to prioritise your own wellbeing. Time to Recharge sessions are a lovely inclusive way to connect with others and to be spiritually refreshed. These sessions are always attended by an Education Team staff member however are led by senior clergy in the diocese. Our Bishops and Archdeacons really appreciate the work - voluntary and paid - of all school staff, governance teams and other volunteers. These Time to Recharge sessions last no more than 20 minutes - please do give them a try either individually or as a larger staff / governance group.

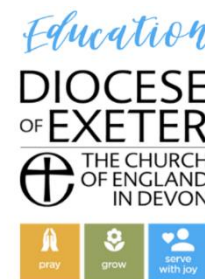

This year we are also signposting you to the training of other trusted partners (appendix 1). You will not find booking links on our website and will need to book directly.

We are keen to add value to your work and encourage you and your school community to engage in our forums, hubs and training. Additionally, if you would like something additional or bespoke for your school(s) please do get in touch so we can discuss how best to support your needs.

We look forward to working closely with you.

The Diocese of Exeter really values its Governors and Directors and wishes to ensure all those who take on this role have the appropriate knowledge and know where to seek support. As such, it is a requirement that all newly appointed Foundation Governors and Directors attend an induction session within twelve months of their appointment. The course is open to all categories of Governors and Directors of church schools and academies, and provides the following:

- Information on the different categories of schools and the responsibilities of governance in these categories;
 - An overall understanding of Church school governance, including the role of the governor/director in new staff appointments, buildings and school admissions;

This forum aims to bring leaders together to focus on matters relating specifically to secondary church schools - this year this will be RE. It is anticipated that two of the three sessions across the year will be virtual and one school-based. The Diocesan Education Team will help facilitate this forum, coming alongside you to share expertise, diocesan updates, priorities, and opportunities. Community Secondary schools are welcome to join.
