

## 0.5 Rector

### Dolton, Dowland, Iddesleigh & Monkokehampton, Devon

*An exciting opportunity to lead a healthy, welcoming community nestled in the heart of the beautiful Devon countryside.*

**This benefice, comprised of 4 passionate and unique village churches, has incredible potential for outreach and growth, particularly with young children and families.**

We have a team of dedicated Churchwardens and PCC members looking for a 0.5/part time Rector to lead us as we take this exciting next step along our journey.

The successful candidate will serve the four parishes while living in the Rectory in Dolton. Our warm and friendly residents will surround you with a supportive congregation, a passion for the local environment, and a multi-generational community grounded in pastoral care and support.

Could you be the person to help us meet the pastoral and spiritual needs of the population which is expanding around us?
